## THIS IS THE LIFE

As it should be, the kitchen is now the true heart of this eminently functional home that beautifully marries old and new. What was once a poky room closed off from the rest of the house is now an airy open-plan domain brimming with light, space and liveability. "From the kitchen, you can feel like you're a part of the dining and living areas," says Lori.

**LIVING** Jordan 'Nook' sofas in 'Darcy' fabric in Iron. The clients' own occasional chairs were reupholstered by March Twice Interiors. Flynn coffee table in Silver Oak finish, Jordan. **KITCHEN** Above and opposite The splashback features Moroccan Bejmat tiles in Igloo from Surface Gallery.
